

# International Network on Fertilizer Analysis

## CERTIFICATE OF REGISTRATION

This certificate is awarded to the  
Dual Chelate Fertilizer Lab (DC Lab) - Australia  
to acknowledge their official registration  
in the International Network on Fertilizer Analysis

A handwritten signature in black ink, appearing to read 'Ronald Vargas', written over a horizontal line.

**Mr. Ronald Vargas**  
Secretary of the Global Soil Partnership

Please note that this document DOES NOT certify the laboratories proficiency in fertilizer analysis.  
It cannot therefore be used to certify that a laboratory is INFA-certified  
or that it has a good proficiency in fertilizer analysis.

**INFA**
